

Buell RecreationTM

Real People. Real Play.

For Everyone.TM

WHO WE ARE

Buell Recreation makes outdoor recreation projects feel easy when they would otherwise be complicated and personal when they could be transactional. Delivering a responsive partnership, we provide expert guidance to create playspaces communities will love.

AREAS WE SERVE:

- Oregon
- Washington
- Northern Idaho
- Northern Nevada

WHAT WE DO

Playgrounds

Age-appropriate equipment for every community need, from early childhood to school-age structures.

Outdoor Fitness

Community fitness solutions that encourage active lifestyles for all ages and abilities.

Surfacing

Safety surfacing options include poured-in-place rubber, engineered wood fiber and turf vs. bonded rubber.

Shade and Shelters

A wide range of customizable designs and sizes. Adding one or more of these to your play environment is a way to increase use and offer your community a place to meet, have fun and keep moving!

Site Amenities

Benches, tables, bike racks and other elements that complete your space.

Dog Parks

Equipment and surfacing designed specifically for community dog parks.

WHY COMMUNITIES CHOOSE BUELL RECREATION

Hands-On Partnership

We work directly with you through every phase—clear communication, relentless follow-through, and the service communities count on.

Regional Expertise

Deep knowledge of local conditions, from drainage challenges to seismic requirements to climate considerations.

Universal Recreation Knowledge

Expert guidance on accessibility, surfacing, and safety standards to create spaces that work for everyone.

Trusted Partnership with BCI Burke[®]

As representatives for BCI Burke, we bring you proven equipment backed by industry-leading support.

Commitment to Sustainability

We bring you equipment from the only EPA-certified Green Power Partner in the playground industry, sourcing 100% of electricity from renewable sources and manufacturing with ISO 14001:2015-certified environmental controls.

FEATURED PROJECTS

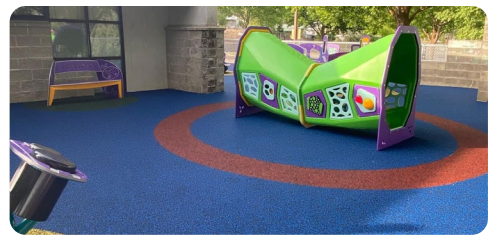

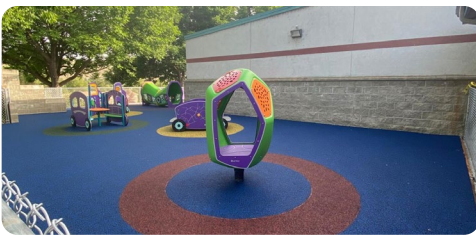

BOONES FERRY PARK — WILSONVILLE, OREGON

“It was a pleasure working with Buell throughout this project. Their team brought a clear vision and balanced the desires of the community and our budget realities. The end result is an incredible new universal design playground for the community. It’s rewarding to be part of something that will the community for years to come.”

— **Zack Morse, Parks Supervisor, City of Wilsonville**

VIRGINIA GRAINGER ELEMENTARY SCHOOL PLAYGROUND — OKANOGAN, WASHINGTON

“Through grant funding and our partnership with Buell Recreation, we created a playground built with inclusivity and ADA accessibility at its core. Every child now has the opportunity to play, explore, and grow in a space designed just for them.”

— **Klancy, Director of Finance, Okanogan School District**

LET'S TALK ABOUT YOUR PROJECT

We don't just build playgrounds; we create inclusive, lasting spaces that spark connection and movement for entire communities.

We are your trusted partner for outdoor recreation across Oregon, Washington, Northern Idaho, and Northern Nevada.
